

Lansing Co-operative Nursery and Preschool

May 26, 2022

Dear Alumni Family,

Can you believe that this year is Lansing Co-operative Nursey School's 70th year in the Willowdale Community!

As you know Lansing Cooperative Nursery School is non-profit organization and we have relied on parent donations to help keep the school afloat year after year. We have appreciated the generous support we have received over the years and Lansing wouldn't have such a great reputation in the community without all the amazing families that have brought their children through our doors. Through your support over the years, we have been able to get a new playground with-high quality rubber surfacing as well as replace some of our school's large appliances, as well as help us get a new roof.

Today we are writing you to help us with our newest campaign. As mentioned, our school has seen many children come through the doors since this building was first built in 1995, but lately we have been noticing the building and surrounding area is in need of some desperate repair. Some of our major projects over the next year or two include; resurfacing the interlock stonework on our playground as well as repaving our parking lot. We also have many areas that have worn down inside the school that need repair.

We need your help to make this a successful fundraising year!

You can contribute via:

- i. *Cheques* payable to "Lansing Co-Operative Nursery School,"
- ii. Our [Online donation portal](https://canadahelps.org) – CanadaHelps.org
- iii. Lastly, we also accept Cash Donations.

You've made so much good happen at Lansing Cooperative Nursery School and we are deeply grateful for your support. I hope you will continue your commitment to our school by making a donation. Your gift today makes a big difference today, tomorrow and every day!

Thank you, as always, for your continued support and we hope to see you at our 70th Anniversary Celebration!

With gratitude,

Leslie Beveridge
Director
