Emergency Management Policy and Procedures

Purpose

The purpose of this policy is to provide clear direction for staff and licensees to follow to deal with emergency situations. The procedures set out steps for staff to follow to support the safety and well-being of everyone involved.

Clear policies and procedures will support all individuals to manage responses and responsibilities during an emergency, resulting in the safest outcomes possible.

3. Recovery.

Staff will ensure that children are kept safe, are accounted for and are supervised at all times during an emergency situation.

For situations that require evacuation of the child care centre, the **meeting place** to gather immediately will be located at: McKee Public School 35 Church Ave, North York, ON (416) 395-2680

If it is deemed 'unsafe to return' to the child care centre, the **evacuation site** to proceed to is located at: McKee Public School

Note: all directions given by emergency services personnel will be followed under all circumstances, including directions to evacuate to locations different than those listed above.

For any emergency situations involving a child with an individualized plan in place, the procedures in the child's individualized plan will be followed.

If any emergency situations happen that are not described in this document, the Lansing Director will provide direction to staff for the immediate response and next steps. Staff will follow the direction given.

If any emergency situations result in a serious occurrence, the serious occurrence policy and procedures will also be followed.

All emergency situations will be documented in detail by the Lansing Director in the daily written record.

During ongoing emergency situations (e.g., lock down, tornado), Lansing will make every effort to provide timely communication with parents via phone and/or email and/or the HiMama App. Parents are advised to limit phone calls to the centre during an ongoing emergency situation to leave lines open for emergency personnel.
